

OTE FOR

POLICE

ACCOUNTABILITY:

NOVEMBER 5th

The Problem: Over the past 15 years, less than 3% of civilian complaints of excessive force have been sustained by the Chief of Police.

A Better Way: Rochester needs and **independent** police accountability board with **investigatory** power, **subpoena** power, **disciplinary** power, and the power to review systemic policies and procedures

Now **you** have the power to make your vote count! Vote November 5th, 2019 for Police Accountability.
